

## College Open Events (South Hampshire) – 2024/2025

### What to do before attending an open day:

1. Before attending any open event, please confirm the need to book, date(s) and times with the college or sixth form.
2. Read through the prospectus to help you plan which courses you want to know more about.
3. Make a list of questions to ask.
4. Plan to create a positive first impression on the college staff you talk to at the event: one of them could be your future tutor!
5. Can't make an open event? **Many colleges have virtual open days, tour videos and other information on their website, which are available all year round.**

Please note: these dates and timings are correct as of 5th September 2024 and are subject to change – we would urge you to check the college website regularly, prior to attending.
